PROFESSIONAL SUMMARY

E-commerce and digital outreach leader with 4+ years of progressive experience across marketplace operations, outbound marketing, brand partnerships, and SEO-driven outreach. Currently leads a 12-person outbound team and scaled a publisher network from 25,000 to 70,000 partners (180% growth) within one year through process redesign and AI-driven workflow automation. Recognized as a company representative at international SEO conferences across Southeast Asia. Combines operational discipline, relationship-building, and data-backed execution.

KEY ACHIEVEMENTS & IMPACT

- Scaled publisher network from 25,000 to 70,000 active partners (180% growth) within 12 months by redesigning outreach processes and integrating AI/automation into the outbound workflow.
- Lead and mentor a 12-member outbound marketing team, consistently exceeding outreach and campaign performance targets.
- Selected as company representative at international SEO industry events: SEOMastery Vietnam, CMSEO Chiang Mai (Thailand), and Phuket SEO Summit (Thailand).
- Closed a B2B partnership deal with a major marketplace at an international SEO conference, onboarding them as a client; the relationship has since grown into \$200K+ in business within 8 months.
- Led multi-region e-commerce operations across India, UK, USA, and Europe, ensuring smooth order fulfillment, listing compliance, and customer satisfaction.
- Built internal automation tools that transformed team output: an AI-powered email scraper (OpenAI & n8n) scaled prospecting from 200-300 websites/day (manual, 1 dedicated hire) to 5,000+ websites/day; an AI website categoriser increased throughput from 200-500 sites/day to 3,000+/day; and an internal LMS built from scratch to streamline new joiner onboarding.
- Onboarded high-value global partners, expanding service offerings and strengthening international reach.
- Built and sustained long-term partnerships with website owners, vendors, and clients, ensuring consistent backlink quality and brand credibility.
